

# L.V COUNTRY LINE DANCERS

Well, the first three months were fairly hectic....and the last three months haven't slowed down much.

Our new Beginners Course for this year is now 5 months in and have settled into their course beautifully. They are doing so well and have just had their first big social "Beginners/Improvers Mid Year Ball" and boy...they owned it. It was such a wonderful day:)

Our other themed social these last few months was our "Op Shop All Colour Social. Check out the photos and see what a great day this was. There certainly were some beautiful coloured fashion statements:)

This social was probably the most chaotic social I had ever run, with the rough start we had regarding our starting times and the floor and also getting the huge amount of plants/books/clothes ready for the fundraiser. But all that chaos created a really mad fun day and boy....did we raise some money.

Last night, nearly 30 of us mosied down to the Victorian Line Dance Association 27th Annual Gala Ball. This ball is always held on the last Saturday of June and for the past few years, it has been held at Springers, Keysborough. This is a huge event and brings Line Dancers from all over Victoria and Interstate together to do what we do best, Dance, Socialise and have fun. I believe last night was around the 650 dancers and to see them all on the floor together is lovely. This year we had Ashleigh Dallas from Tamworth singing for us again and Maddison Glover doing the Line Dance workshop before the social commencing. This is a wonderful event so pop the date in the diary for next year if you would like to join us:)

We have been working continuously throughout the year towards our Lifeline Gippsland Fundraiser but over the next few months, we will be stepping it up towards our next two big events. The first is our Mad Camp at Wootton Lodge Coongulla, August 28th - 31st.

This will be an absolutely fun-filled few days of campfires, a variety of dance styles, singing, hoedown and lots more. See Leanne Wangman or myself to book as numbers are limited. Leanne is currently working on the program and it will gradually come out as more entertainment is confirmed.

Tickets for our 2-Day Event will be available soon and this is a prepaid/prebooking event as numbers are limited on both days. Check out our ad in this newsletter for all the details. This is a wonderful weekend and we finalise our tally for the year. Lifeline Gippsland has become very close to our hearts and we can be very proud of ourselves that our money raised is going to a very worthwhile cause.

Well, we certainly have done quite a bit already this year, but still lots more to come:) Check out our diary for all our upcoming events and we will see you all in class next week.

## OP SHOP ALL COLOURS SOCIAL MAY 5TH

Our Op Shop All Colours Social...Well what can I say. This social was one of our craziest socials right from the get-go. With our late start, crazy colours, massive amount of plants and a full floor...it was alot of fun. We raised....Raffle \$651 / Donations \$25 / Plant Sale \$460 / Books & Clothes \$39 and Karen Fenech's beautiful rugs \$300.....What a day \$1475:)
