

L.V COUNTRY LINE DANCERS

Well, so far I can't complain about how 2023 has started off...a vast difference from 2022...mind you I am touching my head while I say this.

We kicked it off winning the Line Dance Group of the year award, our Socials are all up and running and just like in the ole' days with supper and raffles and our new Beginners have started this years course and are doing so well.

All in all a good start :)

Events coming up are the VLDA Good Friday Appeal. This event run by our association is to raise money for the Royal Children's Hospital Appeal. Thanks to everyone who purchased Raffle Tickets over the past few weeks, we sold over \$500 and hopefully some might be winners:)

We also have the VLDA 26th Annual Gala Ball coming up on the 24th June. Colour Theme this year is Blue & White. Please let me know if you are interested in purchasing a ticket so that I can get our table and tickets organised. Would be so nice if we can get another big group go down.

Also June 11th we have our own ball which is Black & White and Masquerade. As usual our Social caters for all levels. Will be a fun day and hopefully we can get some of our newer students to come along :)

Don't forget there are NO CLASSES from Good Friday through to the 17th, Classes resuming Tuesday the 18th. There is also no Class on Anzac Day

*Thank you to all
the girls who came along to
Laurina Lodge Nursing Home
Was such a great day
Think we had as much fun
as they did xx*

**As we make our way back to the dance floor
please make sure you are aware of our Dance Etiquette.
These rules are for the safety of all our students and makes
the dance floor more enjoyable for all.**

DANCE FLOOR ETIQUETTE

**FLOOR ETIQUETTE IS REQUIRED
FOR THE SAFETY OF DANCERS**

- 01** Don't eat or drink whilst dancing and or carry food/drink across the dance floor.
- 02** Don't use the dance floor as a thoroughfare whilst the dance is in progress. If uncertain, move along the row to the outside edge and leave the dance floor.
- 03** When joining in on a dance already in progress, please don't push in to your "usual spot". Dance in a vacant position on the edge of the dance floor. Alternately, if a dance is in progress and you need to leave the floor, walk along the row to vacate dance floor.
- 04** Please leave the dance floor if you want to chat, take photos, use phone etc.
- 05** If watching a dance, please be mindful of non-obstructing the dance floor and of any dancers that are seated behind you.
- 06** On no account put anything on the floor if it's sticky or slippery, as this can cause harm to a dancer and affect the floor, by deteriorating its surface.

Please be courteous to all dancers.
